FIELD GUIDE #1

I DON'T KNOW
ENOUGH TO TEACH

YOU KNOW
MORE THAN
YOU THINK.

One of the biggest myths
in the world is:

"I don't know enough
to teach anyone."

The truth?

You don't need to know
everything. You only need to
know something someone
else doesn't.

EXCUSE KILLER

"I'M NOT
AN EXPERT."
GOOD.

Experts aren't required.
Communities grow when
ordinary people share
ordinary knowledge.

CAN YOU...

Grow tomatoes?

Cook a meal?

Use a hammer?

Sew a button?

Change a tire?

Create a budget?

Use a smartphone?

Clean a wound?

Make coffee?

Then you can teach something.

YOU DON'T NEED
A DEGREE TO SHARE
YOUR EXPERIENCE.

EVERYONE TEACHES. EVERYONE LEARNS.

TEACHING CANNING

TEACHING WOODWORKING

TEACHING COOKING

TEACHING TECHNOLOGY

TEACHING FIRST AID

PERSPECTIVE SHIFT

INSTEAD OF ASKING:

"Am I
qualified?"

ASK:

"Could this
help someone?"

Teach what you know.
Share what you've learned.
Someone will benefit.

WHAT COMES EASY
TO YOU
MAY BE BRAND NEW
TO SOMEONE ELSE.

★ FINAL CHALLENGE ★

Think of one skill.

One lesson.

One thing you've
learned through life.

*Someone out there
needs it.*

KNOWLEDGE GROWS
WHEN IT IS SHARED.

FIELD GUIDE #2

I DON'T HAVE SPECIAL SKILLS.

*You don't need special skills
to make a special difference.*

THERE ARE NO "UNSPECIAL" SKILLS—ONLY UNRECOGNIZED ONES.

What's normal to you might be life-changing to someone else.
Your everyday knowledge is someone else's *breakthrough*.

EVERYDAY SKILLS.
EXTRAORDINARY
IMPACT.

ORDINARY SKILLS
BUILD
EXTRAORDINARY
COMMUNITIES.

★ YOU DON'T NEED TO BE FAMOUS. YOU JUST NEED TO BE WILLING. ★

CHANGE YOUR PERSPECTIVE

INSTEAD OF THINKING:

"I don't have
anything special
to teach."

THINK THIS:

"I have
something
someone needs
to learn."

YOUR EXPERIENCE HAS VALUE.
YOUR LESSONS HAVE POWER.
YOUR KNOWLEDGE HAS PURPOSE.

WHAT'S COMMON
TO YOU
COULD BE
INCREDIBLE
TO SOMEONE ELSE.

*Don't underestimate
what you know.*

ACROSS GENERATIONS, EVERYONE HAS SOMETHING TO SHARE.

THEY TEACH

Life lessons.
Hard-earned wisdom.
Practical skills.

THEY LEARN

New ideas.
Fresh perspectives.
Modern solutions.

THEY GROW

Confidence.
Capability.
Community.

EVERY GENERATION TEACHES. EVERY GENERATION LEARNS.

YOU MIGHT BE THE ONLY PERSON
WHO KNOWS HOW TO...

- ✓ Fix grandpa's old mower
- ✓ Make that family recipe
- ✓ Do that craft
- ✓ Handle that problem
- ✓ Teach that trick
- ✓ Solve that challenge
- ✓ Tell that story

FIELD GUIDE #3

YOUTUBE ALREADY TEACHES THAT. INFORMATION ISN'T THE SAME AS COMMUNITY.

YouTube can show you how.
Your community can *walk with you.*

YouTube can teach you a skill.
A neighbor can change your confidence forever.

YOUTUBE CAN...

- Show you the steps
- Explain the process
- Demonstrate the tools
- Pause, rewind, repeat
- Available 24/7
- Teach many people at once

BUT YOUR COMMUNITY CAN...

- Encourage you when you get stuck
- Answer your questions
- Share their mistakes and lessons
- Hand you the right tool
- Help you the first time
- Build a relationship
- Strengthen the whole community

SAME SKILL. COMPLETELY DIFFERENT EXPERIENCE.

INFORMATION

You figure it out alone.
You make the mistakes.
You hope for the best.

VS

COMMUNITY

You learn together.
You avoid costly mistakes.
You gain confidence.

REAL HELP. REAL CONNECTION.

- "Why won't it start?" They've been there.
- "What tool do I need?" They've got one to lend.
- "What could go wrong?" They'll tell you.
- "You can do this." They believe in you.

THAT'S THE POWER OF PEOPLE TEACHING PEOPLE.

COMMUNITY LEARNING GOES BEYOND THE SCREEN

SEE IT

Watch together.
Understand better.

DO IT

Practice together.
Learn by doing.

ASK IT

Get real answers.
Right away.

FIX IT

Solve problems.
Build confidence.

SHARE IT

Teach others.
Pass it forward.

GROW TOGETHER

Stronger skills.
Stronger community.

SHIFT YOUR PERSPECTIVE

INSTEAD OF THINKING:

"I can just watch a video."

THINK THIS:

"I learn better with people who care about me."

WHEN WE LEARN TOGETHER,
WE DON'T JUST BUILD SKILLS.
WE BUILD EACH OTHER.

Stronger skills.
Stronger relationships.
Stronger communities.

START TODAY

- Find one person who knows more than you.
- Ask them to show you.
- Learn together.

FIELD GUIDE #4

I DON'T HAVE TIME TO TEACH.

YOU DON'T NEED HOURS.
YOU JUST NEED HEART.

We all have busy lives. But teaching doesn't have to be time-consuming.
Small moments. Big impact.

A few minutes today can change someone's tomorrow.

TEACHING DOESN'T HAVE TO MEAN...

- ✗ Preparing a big class
- ✗ Creating a full curriculum
- ✗ Making a long-term commitment
- ✗ Being available all the time

It just means sharing what you know, when you can.

WAYS YOU CAN TEACH WHEN TIME IS TIGHT

5-MINUTE TIP

Share one quick tip that saves time, money, or frustration.

TEACH IT WHILE YOU DO IT

Invite someone to watch while you do it anyway.

ANSWER A QUESTION

You don't have to teach a class—just answer what you know.

SHARE A STORY

Real-life stories carry lessons that stick.

SEND A TEXT OR VOICE NOTE

Share what you know in a quick message. It still counts.

INVITE SOMEONE IN

Let someone tag along and learn by being with you.

IT'S NOT ABOUT HOW MUCH TIME.

VS

Information can be found anytime.

Wisdom is passed from person to person.

WHAT STUDENTS REMEMBER MOST

- ♥ It's not the perfect lesson. It's the person who cared.
- ♥ It's not the fancy presentation. It's the relationship.
- ♥ It's not the amount of time. It's the impact you made.
- ♥ It's not what you had. It's what you shared.

YOU DON'T NEED MORE TIME.
YOU NEED TO MAKE THE TIME COUNT.

SHIFT YOUR PERSPECTIVE

INSTEAD OF THINKING:

"I don't have time to teach."

THINK THIS:

"I have time to make a difference."

SMALL INVESTMENT. LASTING RESULT.

START TODAY

- 1 Find one thing you know.
- 2 Share it with someone.
- 3 Encourage them.
- ♥ Watch them grow.

That's how communities become strong.

You don't need hours. You just need heart. The time you give today may be the turning point for someone else.

EXAMPLES OF SMALL MOMENTS THAT MATTER

- Explaining how to sharpen a tool.
- Showing how to start seeds.
- Teaching a quick canning safety tip.
- Helping someone create a simple budget.
- Showing how to check tire pressure.
- Suggesting a book or resource that helped you.

Little moments. Real impact. Stronger community.

I DON'T HAVE MONEY OR RESOURCES.

YOU DON'T NEED MONEY.

You just need to share what you already have.

The best classrooms aren't bought. They're built by community.

TEACHING DOESN'T HAVE TO COST A THING.

Use what you have.

Your kitchen.
Your tools.
Your experience.

Use what's around you.

Garages, yards, porches, parks, churches.

Use your everyday life.

You already live your lessons.

Use simple tools.

You don't need expensive tools.

Use your time.

Even 30 minutes can change someone's life.

TRUTH CHECK

- ☒ You don't need a building.
- ☒ You don't need equipment.
- ☒ You don't need supplies.
- ☒ You don't need a budget.
- ☒ You don't need permission.
- ☒ You just need willingness.

START WHERE YOU ARE. USE WHAT YOU HAVE.

REAL EXAMPLES. REAL PEOPLE.

- ☒ A neighbor used his driveway to teach car maintenance.
- ☒ A grandma used her kitchen to teach canning.
- ☒ A retiree used his porch to teach woodworking.
- ☒ A teenager used a phone to teach technology.
- ☒ A mom used her budget notebook to teach money skills.
- ☒ A veteran used his experience to teach first aid.

None of them spent money. They spent heart.

GREAT TEACHERS DON'T HAVE MORE. THEY GIVE MORE.

It's not about what you have. It's about what you share.

YOU ALREADY HAVE RESOURCES!

- A place (even small)
- People who want to learn
- Skills you already use
- Time (even a little)
- A willingness to help

That's everything you need!

NOBODY WANTS TO LEARN THIS.

You'd be surprised.

The problem isn't that nobody wants to learn. The problem is that we often underestimate the value of what we know.

Somewhere right now... someone is struggling with something you've already figured out.

I've known this for 40 years. I've never been shown.

This recipe fed a family. Now it feeds a generation.

Knowledge travels both directions.

THE EXCUSE

- ✗ Nobody would care.
- ✗ Everyone already knows this.
- ✗ It isn't important enough.
- ✗ It's too basic.
- ✗ It's common sense.

THE REALITY

- ✓ Common sense isn't common anymore.
- ✓ What is basic to you may be brand new to someone else.
- ✓ Skills disappear when they're not passed on.
- ✓ Every expert started knowing nothing.

WHAT PEOPLE SECRETLY WANT:

- Someone patient
- Someone encouraging
- Someone willing to answer questions
- Someone who remembers what it felt like not to know

People search the internet every day for things they don't know.

How to sew.

How to garden.

How to budget.

How to fix things.

How to cook.

How to preserve food.

How to stay calm.

How to children.

How to start over.

The demand is there. The teachers are disappearing.

REAL WORLD EXAMPLES

Someone wants to learn:

- ✓ How to start seeds
- ✓ How to preserve food
- ✓ How to sew a button
- ✓ How to sharpen tools
- ✓ How to check tire pressure
- ✓ How to change oil
- ✓ How to bake bread
- ✓ How to stay calm during hardship
- ✓ How to balance a budget

You may already know exactly what they need.

Every skill is **VALUABLE** the day before someone needs it.

PERSPECTIVE SHIFT

- Instead of asking: "Who would want to learn this?"
- Ask: "Who might need this someday?"

START TODAY

- 1 Think of one skill you use regularly.
- 2 Imagine never having learned it.
- 3 Find one person willing to learn.
- 4 Pass it forward.

I'M TOO OLD TO TEACH.

Your years are an asset.

Experience is one of the most valuable things you can share.

What you've lived... someone else needs to learn.

You don't stop being valuable because you get older.

You become more valuable.

THE EXCUSE

- ✗ My time has passed.
- ✗ I'm not as sharp as I used to be.
- ✗ Young people don't listen to older folks.
- ✗ I don't have anything new to offer.
- ✗ I'll just hold them back.

THE TRUTH

- ✓ Experience cannot be downloaded.
- ✓ Your stories carry lessons no book can teach.
- ✓ Young people are hungry for mentors and real-world wisdom.
- ✓ You don't need new. You need true.
- ✓ Your encouragement may be the thing that changes their life.

WHAT YOU CAN TEACH:

HANDS-ON SKILLS
Fix it.
Build it.
Maintain it.

LIFE SKILLS & HOME ARTS
Cook it.
Preserve it.
Sew it.

WISDOM & EXPERIENCE
Learn from mistakes.
Make better decisions.

OUTDOOR & SELF-RELIANCE
Grow it.
Catch it.
Survive it.
Enjoy it.

YOU ARE THE BRIDGE BETWEEN GENERATIONS.

- 👁️ You have the hindsight they don't have yet.
- 👤 You've walked through what they're facing.
- 📖 You know shortcuts they haven't learned.
- ❤️ You can inspire confidence and hope.
- ★ You can pass down heritage and values.

"You may not see the impact today... but your words, your patience, and your example will echo for generations."

WHAT YOU KNOW TODAY... THEY WILL NEED TOMORROW.

EXAMPLES OF WISDOM THAT ONLY TIME CAN TEACH

PATIENCE
Life lessons you learned the hard way.

HISTORY & STORIES
Family stories, traditions, and lessons that shape identity.

PERSPECTIVE
The ability to see the big picture.

RESILIENCE
How to get back up when life knocks you down.

CHARACTER

I'M NOT A LEADER.

= Good. =

Start by being helpful.

You don't need followers. You don't need a title.
You don't need a stage. You don't need a position.
Leadership begins the moment someone learns something because you cared enough to share it.

She never called herself a leader.

The neighbor never forgot her help.

One lesson.

One person.

One future changed.

THE EXCUSE

- ✗ I'm not a leader.
- ✗ I don't like being in charge.
- ✗ I'm not outgoing.
- ✗ I don't want attention.
- ✗ Someone else should do it.

THE TRUTH

- ✓ Communities need helpers more than heroes.
- ✓ Leadership is service.
- ✓ Leadership is encouragement.
- ✓ Leadership is showing up.
- ✓ Leadership is helping one person.

LEADERSHIP ISN'T A POSITION.

It's an action.

FIELD GUIDE #13

NOBODY HELPED ME.

That ends with me.

Just because no one showed you,
doesn't mean you can't show someone else.

≡ *Be the person you needed.* ≡

*You didn't
get the help
you needed.
That's not
your fault.*

*But someone
needs what
you know.*

THE EXCUSE

- ✗ No one helped me.
- ✗ I had to figure it out alone.
- ✗ I don't want to be taken advantage of.
- ✗ People let me down.
- ✗ I won't waste my time on others.

THE TRUTH

- ✓ That's your story.
- ✓ But it doesn't have to be theirs.
- ✓ You have something someone needs.
- ✓ Helping others is how we heal.
- ✓ Your experience can be someone else's shortcut.

SOMEONE IS WAITING FOR WHAT YOU KNOW.

A skill.
A shortcut.
A solution.

A lesson.
A tradition.
A way forward.

A kind word.
Encouragement.
Confidence.

A helping hand.
A better day.
A stronger future.

BREAK THE CYCLE. START THE CHANGE.

They didn't
help me.
I struggled
alone.

I learned
the hard
way.

I choose
to help
someone.

They grow
stronger.
The cycle
changes.

Generations are watching. What will they learn from you?

*The best way
to honor your
past is to build
a better future
for someone else.*

PEOPLE REMEMBER HOW YOU MADE THEM FEEL.

They remember you cared.

They remember you believed in them.

They remember you took time.

They remember you were patient.

They remember you showed them
they could do hard things.

That memory can change their whole life.

PERSPECTIVE SHIFT

INSTEAD OF THINKING:

"No one helped me."

THINK THIS:

"I will be the
help someone
remembers."

SMALL ACTS. BIG IMPACT.

Answer
a question.

Share
a skill.

Explain
something.

Encourage
someone.

Be
kind.

*You don't need a lot of time.
You just need a willing heart.*

START TODAY

- 1 Think about what you know.
- 2 Think about who needs it.
- 3 Take one step to help.
- 4 Keep showing up.
Keep making a difference.

*You don't have to fix the world.
Just be part of the solution.*

REAL PEOPLE. REAL STORIES. REAL DIFFERENCE.

A Stitch in Time
She showed me how
to sew. Now I make
clothes for my kids.

One lesson.
Generations comforted.

Under the Hood
He took 20 minutes
to show me.
That knowledge has
saved me thousands.

One moment.
A lifetime of impact.

From Her Kitchen
She passed down
recipes—and wisdom.
It fed more than
our stomachs.

One tradition.
A family strengthened.

Tools and Trust
He trusted me with
tools and truth.
I learned skills—and
how to be a man.

One choice.
A future shaped.

He Never Gave Up
He spent hours
teaching me.
He saw something in
me I didn't see.

One belief.
A life redirected.

SKILLS & KNOWLEDGE

FIELD GUIDE #14

LEGACY

What You Pass On Lives On. 

Today's lessons. Tomorrow's strength.

Everything you teach today becomes someone else's tomorrow.

Your knowledge is a link in a chain that — can never be broken. —

YOU AREN'T JUST TEACHING SKILLS.
You're building the future. 

THE EXCUSE

- ✗ My impact is too small.
- ✗ I won't be remembered.
- ✗ Someone else will carry it on.
- ✗ It won't make a difference.
- ✗ I'm just one person.

*That's not how legacy works.
That's how doubt talks.*

THE TRUTH

- ✓ Small lessons create big change.
- ✓ People remember what matters.
- ✓ Someone else might be waiting for you.
- ✓ Your story can guide someone.
- ✓ One person can change generations.
- ✓ Legacy isn't about being famous. It's about being faithful.

WHAT YOU LEAVE BEHIND MAY OUTLAST YOU.

PRESERVED FOOD

Feeds families.
Saves lives.

USEFUL SKILLS

Solves problems.
Creates independence.

STORIES & EXPERIENCES

Guide decisions.
Prevent repeating mistakes.

VALUES & PRINCIPLES

Build character.
Strengthen communities.

STRONG CONNECTIONS

Unite people.
Create hope.
Build resilience.

YOU ARE PART OF A CHAIN.

Those who taught you.

You.

Those you teach.

Those they will teach.

The future you may never see.

“The strongest legacy is not what you build for yourself, but what you leave behind for others.”

LEGACY IS THE BRIDGE TO THE NEXT MISSION.

Skills prepare.
Knowledge empowers.
Legacy connects.
Communication multiplies everything.

MISSION 4
SKILLS & KNOWLEDGE

What you pass on becomes what others pass forward. 

MISSION 5
COMMUNICATIONS & NETWORKS

LEGACY STARTS TODAY.

- 1 Teach one skill.
- 2 Share one story.
- 3 Write it down.
- 4 Record it.
- 5 Encourage someone.
- 6 Connect with others.
- 7 Keep passing it on.

*Small actions.
Lasting impact.
Generations strong.*

PEOPLE REMEMBER...

-  How you made them feel.
-  How you showed up.
-  What you taught them.
-  How you believed in them.
-  How you helped them grow.

That's the heart of legacy. 

WAYS TO LEAVE A LEGACY

Write it.
Journal your knowledge.
Leave notes.

Record it.
Capture videos.
Share your experience.

Teach it.
Pass it on face-to-face.
Build confidence.

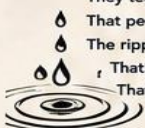

Build it.
Create something the community can use.

Live it.
Lead by example.
Your life is a message.

THE RIPPLE EFFECT

You teach one person.
They teach someone else.
That person teaches another.
The ripple never stops.
That's how change spreads.
That's how communities survive.

“You will never know the full impact of the lesson, word, or act of kindness you shared today. Keep sharing.” 

YOU MAY NEVER MEET THE PEOPLE YOUR LEGACY WILL HELP.
BUT THEY WILL FEEL YOU THROUGH WHAT YOU LEFT BEHIND.

EXAMPLES OF LEGACY IN ACTION

A garden feeds more than today.

A repair saved money.

A skill created independence.

First aid saved a life.

A budget stopped a crisis.

A conversation restored hope.

A connection built a network.

Preparedness protected a community.

MISSION 4 COMPLETED. NOW WE CONNECT.

What you've built in Mission 4 becomes the foundation for Mission 5: Communications & Networks. 

YOUR LEGACY IS THEIR STRENGTH. YOUR KNOWLEDGE IS THEIR FUTURE. YOUR ACTION IS THEIR HOPE.
ONE COMMUNITY. ONE PURPOSE. ONE FUTURE.
